1. The airfield south of Schönefeld (Z93) is being extended. It now includes the small town of Diepensee, with its ~~former Luftwaffe~~ West plaza. Slated to become the largest Soviet field in the Berlin area, the field is to have a complement of approximately 3,000 men. This may call for future requisitioning of Kiechbusch, Schulzendorf and Waltersdorf (all Z93) for troop and dependent accommodations.
2. Although the work was hampered by cold weather, several thousand drafted laborers are still working on the field. Among them are over 300 men drafted from Eichwalde (V03).
